Subject:	FERC-Furniture Procurement Status Call
Date:	Tuesday, October 04, 2016 4:48:24 PM

All,

If convenient, I would like to propose a short catch-up call to discuss the status of the furniture procurement and to discuss any potential changes to the typical workstations/offices in relation to what has been previously been reviewed and approved. Perkins + Will has received requests for additional information and the Lessor's team wants to be sure that we are aware of any potential changes that may impact design, dimensions or details.

Would either Thursday October 06, 2016 3:30p or later or Friday after 10:00am work? If so, I can send an invite.

Thank you,
Chris
